SUMMER PARTNER PROGRAM

Each year The Wilds and The Wilds of New England hire over 350 enthusiastic, college-age young people to serve on our summer staff. By partnering with one of these young people to help them raise \$750, your tax-deductible donation directly supports them while indirectly allowing us to keep our camper fees as low as possible.

As a partner, you will share in the staff member's ministry by upholding them in prayer and being an encouragement to them throughout the summer. We welcome churches, individuals, and organizations to be a part of the Summer Partner Program. Please consider partnering in a special gospel ministry that serves over 11,000 campers each summer!

You can sign up to become a partner by:

- ☐ Visiting wilds.org/donate/spp and donating online;
- ☐ Completing and returning the form below; or
- ☐ Calling our administrative office at (864) 331-3267.

The Wilds Summer Partner Program is a spiritual challenge and encouragement to us. Reading our partners' e-mails and recounting specific burdens and victories of the week brings back memories of my own time on staff. It also reminds me of the desperate need for prayer.

I rejoice to see God's hand still at work in this place. To me, it's a 3-fold blessing: we're privileged to see campers choose Christ and grow in Him; we observe first-hand the deepening of our partners' faith as God stretches them beyond their own abilities; and our own faith is challenged as we partner in prayer with those on the front lines of ministry.
